ALL PROCEEDS TO ST. ANDREW'S HOSPICE

Dear Supporter,

It is with thanks to our local residents and those further afield that through their generous donations of philatelic associated material we are able to continue putting together an auction catalogue such as this. It contains a variety of items including stamp sets + collections, covers, postcards, albums, books and other miscellaneous items at reasonable reserve prices. These are better quality 'reserved for auction lots' instead of fixed price shop sales.

Following on from the redevelopment of the Hospice with Children's, Adults and associated services all under one roof, landscaping the exterior has finally been completed with a new serenity garden offering easy access for all.

All collectors are welcome to this well attended event with light refreshments available. If you are unable to come bidding forms are on the reverse of this page. A list of unsold lots will be sent out to all bidders. More catalogues can be obtained postally by contacting John Mileman on Tel no 01472 827396 or electronically by contacting Dave McMann at mcmann@btopenworld.com

Dave and his wife Judy are at Pudsey Stamp Fair on 17th + 18th November so if you are going to the Fair and there are any specific auction lots you would like to view please contact Dave McMann on 01472 887523, or via his email.

Thank you

John Mileman
